

Minutes 16th June 2026 3pm

Navigation Meeting - Sefton

Date:	16th June 2026
Time:	3pm
Place:	St Lukes
Attendees:	Amanda Bruce, Helen Hunter, Karen Stark, Laura Pilgrim, Louis Johnston, Paul Beardwood, Jim Stewart, Tania Gamble
Apologies:	Laura Heywood, Sue Green, Georgina Abram (minutes)

Prayer: Amanda Bruce

	Who by	When by
Initial updates Laura P shared an update that she will be moving to full time hours to support Laura Jones as she takes on the acting programme director role. Her capacity as change facilitator will not be reduced. Naming process Following the consultation process and CLT prayers, the name was decided as 'Christ the River of Life.' The team discussed the possibility of using the name as a trial for a week before an official announcement, but decided this was not necessary. The team discussed the process of sharing. They decided to share with PCCs shortly before it is announced, with an emphasis on the consultation process and opportunities for contribution that were given. The CLT will share this with their PCCs, with the name to be announced in the churches on the upcoming Sunday. Action: Amanda will share the name announcement message with Laura P and Georgina to distribute to PCCs. Amanda shared this message and the team made some edits and confirmed they were happy for it to be distributed. Joint Service Paul has completed a poster for the joint worship service which the team reviewed and shared feedback. Action: Paul will make the edits discussed then share to be distributed. Communications	AB/LP/ GA PB	

Minutes 16th June 2026 3pm

Navigation Meeting - Sefton

There are still access issues to the shared comms drive in the team. The team discussed how these can be resolved.

Laura confirmed that Georgina writes the minutes for the meeting which are then approved by Laura P before they're added to the SharePoint. They will aim for the minutes to be ready on SharePoint every week by Friday.

The comms team will start planning a logo now the name has been chosen.

Support Services

Emily is unable to attend a support services info session on July 18th so the team discussed when would be best for a new date. They decided to delay this until July 25th.

Most of the administrators have been informed of this event as discussed last week.

Action: Georgina will work with Emily to put together a poster for this.

GA

Treasurers

Laura P shared feedback from the treasurers following their meeting last week which will be discussed properly in a future meeting.

Cultivate

Tania shared an overview of the Cultivate process and her role. She has already attended CLT to share this.

Cultivate is made up of two pathways: fresh and refresh, which focus on building on the current work of the church and building new communities based on the needs of the area and the principles of cultivate. This is done through a series of workshops.

It is an 8-week course. The aim is for Sefton to start a course this year. Every one in the church is invited to be involved as it is an open space for discussion and to encourage ideas and passions. This is followed by the grow course, which is for new worshipping community leaders.

This process is not just for FfM but is deanery wide. It is also specific to Liverpool Diocese.

Action: Tania will get in touch with Beth to update on this.

Minutes 16th June 2026 3pm

Navigation Meeting - Sefton

The team discussed when these workshops can take place and potential dates to complete the first course by December. In other cohorts, a zoom call info session has been held before the sessions begin. The team will think on this to re-discuss next week and Laura P will feedback to Tania. Action: Laura P will confirm with Tania what the Saturday session before the course starts will look like.
